Web Page Advertising

Club members:

It is time to initiate or renew paid advertisements on the highly-acclaimed Kiwanis Club of Suburban Frederick web site. For an annual fee of \$15 per business card or advertisement, information about your product or service is displayed on every page of the site (see example ads in the below for screen shot) — including the heavily trafficked citrus order web page — with all proceeds helping support the Club's Administrative efforts.

Please detach, complete and return the below form to me with payment. You can:

1. Hand the form and payment to me at a Club meeting (if this is a new advertisement, please also give me your business Card or email me a PDF of the image you want posted. Finished size must be business card size: h-2", h-3 1/2".)
2. Mail the form and payment (and ad copy if this is a new account) to me at:

Peter Brehm
318 West College Terrace
Frederick, MD 21701

The due date for renewing is Nov. 1 of each year. Advertisements are not pro-rated, so now is the best time to act in order to get full exposure on the web site for the 2011-2012 year. I look forward to your support of the Club's Administrative account. Begin or renew your ad now! Questions? Please call me at 301-696-3552 or send me an email. Thanks! - Peter
